How to install Transcend on Macintosh

LegalCraft · Tuesday, December 27th, 2011

Follow these steps to install Transcend on Mac machine:

- Download the Transcend DMG file from LegalCraft Download center
- Press Apple + Space and type Applications in the spotlight
- Choose Applications folder from the drop-down list
- Open the downloaded Transcend DMG file by double clicking the file
- Sometimes, this will create a mounted folder on the Desktop named “Disk Image”. Open the “Disk Image” folder
- Drag-drop the Transcend.app file to Applications folder
- Once the file is copied, press Apple + Space and type Transcend the spotlight
- Choose Transcend from the drop-down list
